SPORT & BUSINESS PROGRAM

POWERED BY

# HOOPS CAPITAL

Hoops Capital featuring the Sydney Kings and the Sydney Flames is proud to partner with SEDA Group (SEDA) to bring you a one-year dual Diploma program in sport and business.

The Hoops Capital Sport & Business Program – powered by SEDA, is a fantastic opportunity for students to establish a strong connection and learn from our very own industry experts, coaches and elite athletes.

At Hoops Capital, which encompasses the management of the Sydney Kings, Sydney Flames and the Hoops Capital Academy, we strive for success through innovation on and off the court. Our collaboration with SEDA, a leader in applied learning in the sports industry, will be no exception.

As an organisation that dares to be different and looks to break the mold, Hoops Capital is committed to making an impact on the educational journey of students with an interest in a career in sport.

The Hoops Capital Sport & Business Program not only provides students with unique learning opportunities in an elite sport context, it also provides students with the opportunity to help the Sydney Kings and Sydney Flames continue to deliver value to grassroots clubs, corporate partners, fans and the Kings and Flames communities.

I encourage you to explore this exclusive collaboration between Hoops Capital and SEDA. I am confident that the program can help you develop the necessary skills and attributes for a successful future and to provide a fresh new look at the business of Sport.

**Sean Nicholls**

Executive Director  
Hoops Capital

# PROGRAM QUALIFICATIONS

The Hoops Capital Sport & Business Program offers students access to an elite sporting environment, whilst completing a dual Diploma in sport and business.

The Hoops Capital Sport & Business Program gives you the opportunity to study in a practical, hands-on learning environment, and gain real experience working alongside the Sydney Kings and Sydney Flames.

The unique partnership between SEDA and Hoops Capital will enable you to connect and learn from industry experts, coaches and elite athletes.

You will have the opportunity to study curriculum linked to the sports industry, complete a practical placement, run major projects, and participate in basketball-specific high-performance activities, designed to further develop your skills and experience.

Upon successful completion, you will have the opportunity to move into further study with one of SEDA's higher education partners, or transition into the workforce, equipped with the knowledge and attributes for a successful future.

# AREAS OF STUDY

## Project & Event Management

Design, develop and deliver a local, interstate, or international event to improve participation, development and fan engagement outcomes for the Hoops Capital. Learn about topics such as project and event planning principles, engagement strategies and reporting.

## Health, Safety & Environment

Identify common hazards and risks in a facility, and review, monitor and maintain work health & safety policies and procedures. Learn about topics such as health, safety and environment, player contracts, and league compliance.

## Advanced Coaching

Develop, implement, and review an integrated coaching program for basketball participants and teams. Learn about a range of coaching philosophies, theories, and frameworks.

## Sport Psychology

Develop, review, modify and evaluate psychological support strategies for community-based athletes in basketball. Learn about various sport psychology tools, techniques and concepts.

## Integrity in Sport

Present integrity in sport and anti-doping information to community-based basketballers. Learn about anti-doping requirements for basketball, as well as other sports integrity related issues such as fairness, ethics, gambling, match-fixing, and discrimination.

## First Aid

Develop the skills and knowledge required to provide a first aid response to a casualty. Learn about first aid responses in a range of situations, including community and workplace settings.

## Marketing and Entrepreneurship

Develop a marketing strategy and implement a social media engagement plan to promote programs, events, and activities. Learn about analysing and evaluating market data, social media engagement plans, and a range of digital and social tools.

## Sponsorship & Fundraising

Implement a fundraising and sponsorship campaign and undertake fundraising and sponsorship activities. Learn about communicating with stakeholders, identifying funding prospects and presentation skills.

## Strength & Conditioning\*

Develop an understanding of the key principles of strength and conditioning programs for elite and semi-elite basketballers. Learn about topics such as exercise programming, rehabilitation and recovery.

## Diet & Nutrition\*

Develop an understanding of performance nutrition for basketball. Learn about healthy eating strategies, meal planning, food preparation and cooking.

## My Plan, My Placement, My Career\*

Develop a detailed career plan (My Plan) and professional portfolio to kickstart your career. Secure and complete a practical placement with Hoops Capital or other organisations in the sport, fitness, and recreation industry, and explore career pathways and acquire transferable skills in real workplace settings.

## Sports Technology\*

Develop an understanding of the various technologies utilised in the analysis of individuals and teams in basketball. Learn about topics such as match analysis, player tracking, athlete management and monitoring.
