PROGRAM GUIDE

SHAPING THE FUTURE OF EDUCATION

Sydney FC are proud to partner with SEDA Group (SEDA) to bring you a one-year dual Diploma program in sport and business.

The Sydney FC Sport & Business Program – powered by SEDA, is a fantastic opportunity for students to establish a strong connection to our organisation, and learn from our very own industry experts, coaches and elite athletes.

At Sydney FC we strive for success on and off the field, and our collaboration with SEDA, a leader in applied learning in the sports industry, will be no exception.

As an innovative organisation, Sydney FC are committed to making an impact on the educational journey of students with an interest in a career in sport.

The Sydney FC Sport & Business Program not only provides students with unique learning opportunities in an elite sport context, it also provides students with the opportunity to help Sydney FC continue to deliver value to grassroots clubs, corporate partners, fans and the community.

We encourage you to explore this exclusive collaboration between Sydney FC and SEDA.

We are confident that the program can help you develop the necessary skills and attributes for a successful future.

Adam Santo
Chief Executive Officer

PROGRAM QUALIFICATIONS

The Sydney FC Sport & Business Program offers students access to an elite sporting environment, whilst completing a dual Diploma in sport and business.

The Sydney FC Sport & Business Program gives you the opportunity to study in a practical, hands-on learning environment, and gain real experience working alongside Sydney FC. The unique partnership between SEDA and Sydney FC will enable you to connect and learn from industry experts, coaches and elite athletes.

You will have the opportunity to study curriculum linked to the sports industry, undertake practical placement, run major projects, and participate in football high-performance activities, designed to further develop your skills and experience.

Upon successful completion, you will have the opportunity to move into further study with one of SEDA's higher education partners, or transition into the workforce, equipped with the knowledge and attributes for a successful future.

QUALIFICATIONS:

SIS50321 Diploma of Sport
BSB50120 Diploma of Business

AREAS OF STUDY

PROJECT & EVENT MANAGEMENT

Design, develop and deliver a local, interstate, or international event to improve participation, development and fan engagement outcomes for Sydney FC. Learn about topics such as project and event planning principles, engagement strategies and reporting.

HEALTH, SAFETY & ENVIRONMENT

Assess the legal, WHS and risk compliance of sporting organisations, making recommendations to improve conformity. Learn about corporate sustainability, developing sustainability policies to decrease organisations environmental impact and enhance their corporate social responsibility image.

ADVANCED COACHING

Develop, implement, and review an integrated coaching program for football participants and teams. Learn about a range of coaching philosophies, theories, and frameworks, as well as the use of sports technology for analysis and coaching.

SPORT PSYCHOLOGY

Assess the implementation of sport psychology practices in community-based athletes, educating them on psychological support strategies to enhance performance. Learn about various sport psychology tools, techniques and concepts.

INTEGRITY IN SPORT

Present integrity in sport and anti-doping information to community-based footballers. Learn about anti-doping requirements for football as well as other sports integrity related issues such as fairness, ethics, abuse, gambling, match-fixing, and discrimination.

SPONSORSHIP & FUNDRAISING

Fund your projects and events through well executed sponsorship and fundraising efforts. Learn stakeholder communication, campaign management, presentation and sales skills, areas so highly valued by sporting clubs that rely on sponsorship and fundraising to survive and thrive.

MARKETING & ENTREPRENEURSHIP

Inspire your inner entrepreneurial spirit as you analyse organisational and industry needs to determine new business opportunities you will present to your partner organisation. Learn the principles of market research and the marketing mix, whilst applying critical thinking practices to refine and enhance your ideas you will deliver in a professional product pitch.

STRENGTH & CONDITIONING*

Develop an understanding of the key principles of strength and conditioning programs for elite and semi-elite footballers. Learn about topics such as exercise programming, rehabilitation and recovery.

DIET & NUTRITION*

Develop an understanding of performance nutrition for football. Learn about healthy eating strategies, meal planning, food preparation and cooking.

MY PLAN, MY PLACEMENT, MY CAREER*

Develop a detailed career plan (My Plan) and professional portfolio to kickstart your career.

Secure and complete a practical placement with Sydney FC or other organisations in the sport, fitness, and recreation industry, and explore career pathways and acquire transferable skills in real workplace settings.

SPORTS TECHNOLOGY*

Develop an understanding of the various technologies utilised in the analysis of individuals and teams in football. Learn about topics such as match analysis, player tracking, athlete management and monitoring.

For details on programs go to seda.edu.au/sydneyfc

This program includes accredited and non-accredited training. *Non-accredited. Please note Areas of Study are reviewed annually and may be subject to change. SEDA Group RTO Provider 22503.

PATHWAYS

Graduates of the Sydney FC Sport & Business Program can gain direct entry* into a range of courses with leading tertiary education providers. In some cases, graduates will also receive credit points towards the number of units or subjects a student is required to complete in a course. The number of credits a SEDA graduate can receive per course will vary between each education provider.

Start your career in a range of different industries. Our course options cater for a range of diverse interests and completing one of the specified courses with SEDA's tertiary partners can set you up for your dream career.

*subject to meeting eligibility requirements

For further information, including graduate pathways visit seda.edu.au/pathways

TERTIARY PARTNERS

On successful completion of the Sydney FC Sport & Business Program, you will have the opportunity for direct articulation* into a range of courses with SEDA's tertiary partners.

Choose from a range of different courses and study areas, and take advantage of our guaranteed entry* and course credit arrangements (*subject to meeting eligibility requirements).

SEDA GROUP TERTIARY PARTNERS

For a full list of study areas and course credit arrangements, go to seda.edu.au/pathways

This information is current as at April 2022 and is subject to change for programs delivered in 2023.

STUDENT EXPERIENCES

The Sydney FC Sport & Business Program offers a highly engaging learning environment and the opportunity for a range of exclusive and unique student experiences including:

- Game-day and community experiences with the Sydney FC A-League squads
- Working on real-time football projects aligned to Sydney FC's strategic objectives
- Hearing from guest speakers and key industry personnel, including high-profile Sydney FC professionals
- Access to industry leading facilities and resources, such as the Sydney FC Training Base, and new 'Sky Park' at Macquarie University Sports Fields
- Immersion into a professional sporting environment that hosts both elite-level football programs to develop insights into current and future career opportunities
- Practical placement opportunities
- Tertiary preparation workshops
- Tailored student support to assist with the transition to work or further study
