2023 PROGRAM GUIDE

WILDCATS EDUCATION

The Perth Wildcats are proud to partner with SEDA Group (SEDA) to bring you a one-year dual Diploma program in sport and business.

The Perth Wildcats Sport & Business Program – powered by SEDA, is a fantastic opportunity for students to establish a strong connection to the Wildcats brand, and learn from industry experts, coaches and elite athletes.

The Wildcats strive for success on and off the court. The collaboration with SEDA, a leader in applied learning in the sports industry, is no exception.

As an innovative organisation, the Wildcats are committed to making an impact on the educational journey of students with an interest in a career in sport.

The Perth Wildcats Sport & Business Program not only provides students with unique learning opportunities in an elite sport context, it also provides students with the opportunity to help the Wildcats continue to deliver value to grassroots clubs, corporate partners, fans and the community.

PROGRAM QUALIFICATIONS

The Perth Wildcats Sport & Business Program offers students access to an elite sporting environment, whilst completing a dual Diploma in sport and business.

The Perth Wildcats Sport & Business Program gives you the opportunity to study in a practical, hands-on learning environment, and gain real experience working alongside The Perth Wildcats.

The unique partnership between SEDA and The Perth Wildcats will enable you to connect and learn from industry experts, coaches and elite athletes.

You will have the opportunity to study curriculum linked to the sports industry, complete a practical placement, run major projects, and participate in basketball-specific high-performance activities, designed to further develop your skills and experience.

Upon successful completion, you will have the opportunity to move into further study with one of SEDA's higher education partners, or transition into the workforce, equipped with the knowledge and attributes for a successful future.

Qualifications:

SIS50321 Diploma of Sport
BSB50120 Diploma of Business

Intake & Duration

January 2023 intake
36-weeks duration

Program Delivery

- Dual Diploma program delivered and assessed by SEDA comprising the SIS50321 Diploma of Sport, and the BSB50120 Diploma of Business
- Program includes specialisations in Sport Development and Coaching and meets the requirements of the SISSS00116 High Performance Coach skill set
- Four (4) days per week of face-to-face training and assessment, inclusive of facilitated online delivery for some study areas
- An opportunity to participate in up to 80 hours of practical placement in industry (non-accredited)
- High-performance athlete development sessions, supported by the team at Perth Wildcats
- Access to industry-leading facilities to complete practical sessions

Assessment

Students will be assessed using a range of different methods including but not limited to observations, projects, written assessments, portfolios, role plays and research tasks.

Facilities

The program will be located in close proximity to the Perth Wildcats, who are based at the Bendat Basketball Centre, Floreat.

AREAS OF STUDY

Project & Event Management

Design, develop and deliver a local, interstate, or international event to improve participation, development and fan engagement outcomes for The Perth Wildcats. Learn about topics such as project and event planning principles, engagement strategies and reporting.

Health, Safety & Environment

Identify common hazards and risks in a facility, and review, monitor and maintain work health & safety policies and procedures. Learn about topics such as health, safety and environment, player contracts, and league compliance.

Advanced Coaching

Develop, implement, and review an integrated coaching program for basketball participants and teams. Learn about a range of coaching philosophies, theories, and frameworks.

Sport Psychology

Develop, review, modify and evaluate psychological support strategies for community-based athletes in basketball. Learn about various sport psychology tools, techniques and concepts.

Integrity in Sport

Present integrity in sport and anti-doping information to community-based basketballers. Learn about anti-doping requirements for basketball, as well as other sports integrity related issues such as fairness, ethics, gambling, match-fixing, and discrimination.

First Aid

Develop the skills and knowledge required to provide a first aid response to a casualty. Learn about first aid responses in a range of situations, including community and workplace settings.

Marketing and Entrepreneurship

Develop a marketing strategy and implement a social media engagement plan to promote programs, events, and activities. Learn about analysing and evaluating market data, social media engagement plans, and a range of digital and social tools.

Sponsorship & Fundraising

Implement a fundraising and sponsorship campaign and undertake fundraising and sponsorship activities. Learn about communicating with stakeholders, identifying funding prospects and presentation skills.

Strength & Conditioning*

Develop an understanding of the key principles of strength and conditioning programs for elite and semi-elite basketballers. Learn about topics such as exercise programming, rehabilitation and recovery.

Diet & Nutrition*

Develop an understanding of performance nutrition for basketball. Learn about healthy eating strategies, meal planning, food preparation and cooking.

My Plan, My Placement, My Career*

Develop a detailed career plan (My Plan) and professional portfolio to kickstart your career. Secure and complete a practical placement with the Perth Wildcats or other organisations in the sport, fitness, and recreation industry, and explore career pathways and acquire transferable skills in real workplace settings.

Sports Technology*

Develop an understanding of the various technologies utilised in the analysis of individuals and teams in basketball. Learn about topics such as match analysis, player tracking, athlete management and monitoring.

For details on programs, go to seda.edu.au/wildcats

This program includes accredited and non-accredited training.
*Non-accredited. Please note Areas of Study are reviewed annually and may be subject to change.
