

2023 Community Impact Report

SEDA & NRL NT 2023 Community Impact Report

CEO Message

At SEDA we believe that quality learning and development occurs both inside and outside the classroom. That's why we place the highest importance on our partnerships with industry which are integral to providing this for our students.

Our industry partnerships enable us to tap into students' interests, giving them greater agency over their future pathways and empowering them to succeed. Our students conduct meaningful programs on behalf of our industry partners in the community whilst developing critical skills and knowledge.

The results for both student and partner are summarised in this, the 2023 SEDA and NRL NT Community Impact Report.

The volume and depth of the outcomes being delivered by SEDA students continues to be impressive. This report captures and celebrates these outcomes and is a strong demonstration of what can be achieved when there is a true partnership, with people working together and looking for aligned outcomes.

For SEDA and the colleges that deliver SEDA programs, we continue to see students complete their secondary education with confidence and optimism. The SEDA education setting works for so many students, as we place their interest at the forefront of their learning, and expose them to a range of learning opportunities.

On behalf of everyone at SEDA Group and SEDA College NT, especially the students, we thank you for your ongoing involvement and support. Through our partnership we continue to provide a place to belong, create aspiration and build capacity, so that students are well placed and informed about their options beyond school.

We look forward to 2024 and working with you to achieve more outcomes for both NRL NT and our students.

Principal Message

The support we receive from NRL NT is pivotal in transforming our curriculum into a dynamic and real-world experience. Through this partnership, we provide our students with unique opportunities to not only learn but to also apply their knowledge in practical contexts. Your collaboration enables us to empower students, fostering confidence, cultivating essential work and life skills, and allowing them to explore diverse career possibilities.

I extend my heartfelt gratitude to NRL NT and its dedicated staff on behalf of SEDA College NT. Together, we are shaping the future of our learners. We eagerly anticipate further growth and development in our partnership.

Francis Gill
Principal

CASE STUDY

Brighton Alley

This year I have enjoyed being involved with NRL NT, our class completed a coaching course with Darren from NRL NT.

By undertaking this session we were able to understand how to run clinics on behalf of NRL NT. Our class was lucky enough to be based at TRL and I had the opportunity to assist at their presentation night.

I really enjoyed planning and running NRL NT clinics, it was great to help develop students' skills and play fun games with them.

A highlight was playing rob the nest, having everyone participate and having fun running around and grabbing balls from other nests and all the kids were smiling and enjoying themselves.

I believe I got a better understanding of the fundamentals and how to explain proper techniques and games to younger students. I was also able to assist refereeing at the Touch Gala, as Touch NT ran a referee course for my class, this gave us the confidence to help on this day.

I think it's important for us to be out there delivering clinics on behalf of NRL NT because there might be kids that love the sport but don't get the opportunities to partake in it, so SEDA can help more people get involved in NRL.
